SUMMARY

A motivated software development student, passionate about crafting user-centric and innovative web experiences. My fascination with creating visually appealing and interactive interfaces fueled my passion for front-end development, where I strive to provide seamless user experiences with HTML, CSS (CSS3, Bootstrap, Tailwind), JavaScript, PHP, and MySQL.

EXPERIENCE

Operations Manager

Thotse Ya Dira (TYD) - Contractors

📅 2021 - 2023   📍 Chaneng, Rustenburg
